August 29, 2023

Dear Mayor and City Council Members:

This Fiscal Year 2024 Budget, which begins on October 1, 2023, and ends on September 30, 2024, is submitted to you in accordance with the City of Harker Heights' Charter and was filed with the City Secretary on August 1, 2023. This budget provides the resources needed to maintain a high level of service to citizens and businesses.

The budget is a plan of action that addresses which resources of the City will be used to accomplish objectives that the City Council feels are necessary. It meets the present challenges and helps to accomplish opportunities recognized by the City Council, Staff, and citizens.

Staff began working on the 2024 budget in January with requests for the Information Technology Department to provide quotes on technology related fixed assets and software. In February, the Outside Agency Funding Application period opened with a closing date of April 30. Budget planning kicked off in March with the Annual Budget Kickoff Meeting which was followed by the distribution of request forms for fixed assets, capital improvements, and personnel to all departments. Department Heads were then asked to produce a proposed budget for their departments' operating line items. Department expenditures/expenses were discussed in meetings held in May and June with the City Manager, Assistant City Manager, Finance Director, and Department Heads to provide guidance in the preparation of the budget.

Revenues were discussed in separate meetings with the City Manager, Assistant City Manager and Finance Director which included a look at the City's five-year long-range plans. The five-year long-range plans depict projected revenues and expenditures/expenses for the next five fiscal years and the projected fund balances for the General, Utility, Sanitation, and Drainage Funds. The long-range plan for the Capital Project Fund was also reviewed to ensure that money would be available for the projects that are planned to continue or begin during the 2024 fiscal year and beyond. The Capital Project long-range plan is also reviewed during the fiscal year in the event changes need to be made to funding sources or expenditures for projects.

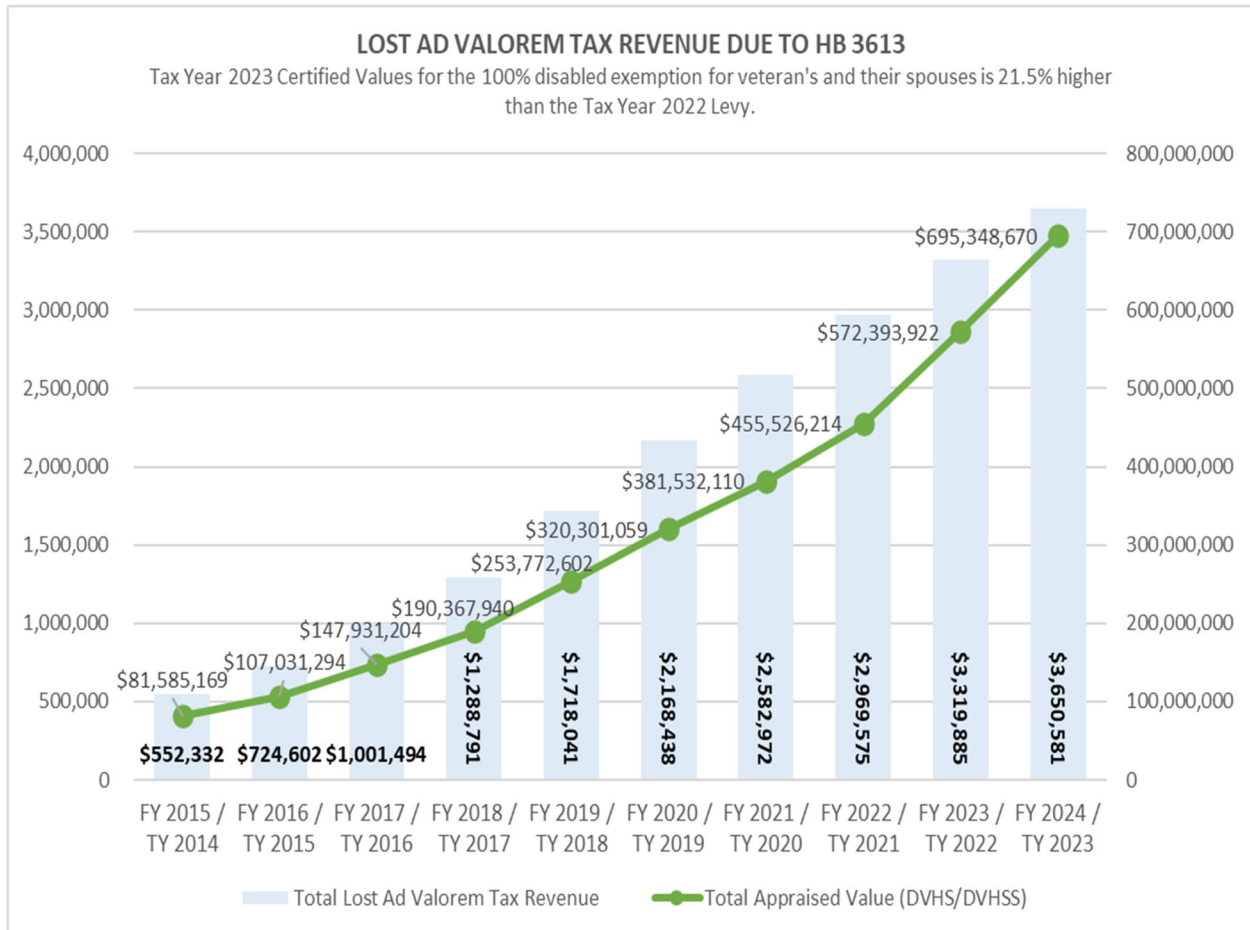

**Principal Issues / Challenges**

Following are some of the items that affect planning and impact the budget process:

House Bill 3613 and Property Taxes

House Bill 3613 eliminates property taxes for military veterans with a 100% disability rating from the U.S. Department of Veteran's Affairs. (Several years later, another bill was passed extending this exemption to the spouses of 100% disabled military veterans.)

When HB 3613 became effective in Fiscal Year 2010, it initially had a minor effect on property valuations in the City of Harker Heights. Over the years, these exemptions have grown with Fort Cavazos, one of the largest military installations in the world, just a few miles away. Cities that border Fort Cavazos, such as Killeen and Copperas Cove, get some relief due to a bill passed in 2015 offering disproportionate impact aid. The City of Harker Heights does not receive that impact aid and estimates a loss of \$3,650,581 from 100% disability exemptions in the 2024 fiscal year. In FY 2011, the property tax loss from the 100% disability exemption was \$262,189.

City officials have been working with area legislators to tackle this issue. Staff understands that the intent of the legislators was to assist our veterans, however it inadvertently hurts these same veterans, in addition to our other citizens, by limiting the services the City can provide.

Sales Tax

Continued residential and commercial growth have played a strong part in boosting our local economy. Staff’s major challenge is in predicting the growth of sales tax. Now, three years after the pandemic, sales tax continues to be a strong revenue source for the City, but it has also seen fluctuations. Whether or not it has finally reached its peak or has more growing to do is something that remains to be seen.

Residential and Commercial Growth

Residential and commercial growth have the potential to have a strong impact on our budget by way of building permit revenue as homes and commercial properties are built, additional property tax once those buildings are established, and sales tax as residents in those homes go to the commercial establishments within Harker Heights.

New single-family home construction permits total 42 issued at a reported valuation of \$8,856,139 during the period of October 1, 2022, to June 30, 2023. Residential homes continue to be constructed in the Cedarbrook Ridge subdivision. At the end of fiscal year 2022, there were 164 permits issued with a reported valuation of \$36,121,361.

Two family home dwellings, or duplexes, have become a practical option for many of our residents who are living in the area for a short time or may not be ready to buy a home. Twenty-five permits were issued for duplexes from October 1, 2022, to June 30, 2023, with a reported valuation of \$7,784,410. During fiscal year 2022, 47 permits were issued with a \$12,535,000 reported valuation.

One new commercial permit with a total valuation of \$4,150,000 has been issued for the construction of a children's and family health medical clinic through the end of June 2023. New commercial permits during the 2022 fiscal year totaled five with a reported valuation of \$18,760,011. These commercial permits were issued for a rehabilitation hospital, Dutch Bros Coffee, a climate-controlled storage building, and a commercial retail and office space.

#### Inflation and the Availability of Products

The inflation of prices seen throughout the United States has made it difficult for the City, as well as its residents, to obtain the goods and services needed at a "reasonable" price and in a timely manner. Many of the fixed assets (vehicles and equipment) that were budgeted in the 2023 fiscal year will be rolled over into the 2024 fiscal year due to the lack of availability; a process typically held for capital projects.

#### Staffing

The challenges of staffing hit the City hard beginning in the 2022 fiscal year. The Public Works, Police, and Parks and Recreation Departments were the hardest hit with staffing issues. Many employees hit the age of retirement and several positions were just not getting applicants. The Human Resources Department continues to work on recruitment and retention activities and those departments that were able to, such as Police Department, did their own recruitment outside of HR advertisements. Human Resources implemented fun challenges that allowed for employees to "win" additional jean days or an extra half-hour for lunch. During FY 2023, HR and public safety administration staff worked on improving the pay scale in order to retain and recruit staff as well. In the proposed budget for the 2024 fiscal year there is a cost-of-living adjustment as well as an additional certification pay for telecommunicator positions, court staff, and bilingual staff who translate for Municipal Courts.

#### Health Insurance

Health insurance rates nationwide continue to increase. Currently, the City of Harker Heights absorbs the cost of employee coverage. Absorbing the cost of health insurance as it continues to rise will become even more challenging once growth within the City stabilizes and revenues flatten. The City goes out for Requests for Proposals (RFP) when necessary in hopes to keep rates competitively low as our employees must pay the cost to cover their spouses and children. This year, Staff was able to negotiate with our current health insurance provider and did not need to go through the RFP process. By doing so, the City was able to obtain a relatively small increase to the rate while still maintaining the quality healthcare needed to hire and retain quality employees.

#### Unfunded Mandates

*Senate Bill 3* was passed on June 6, 2021, and requires all affected utilities in Texas to prepare and implement an Emergency Preparedness Plan (EPP) that demonstrates how it will provide emergency operations during an extended power outage lasting longer than 24 hours while maintaining the Texas Commission on Environmental Quality's (TCEQ) requirement of maintaining a 20 psi level. Submission of the EPP was due March 1, 2022, and utilities were to begin implementation by July 1, 2022. The City has obtained engineering services and began moving forward with their services during the 2023 fiscal year. The plan to get emergency generators online at the water pump stations is budgeted in the Capital Projects Fund at a cost of \$4,043,400 over the next three fiscal years to meet this unfunded requirement.

*Lead and Copper Rule Revisions (LCRR)* became effective on December 16, 2021, and the compliance deadline is October 16, 2024. By the deadline date, the City's service line inventory and lead service line replacement plan, if applicable, is due. As part of the LCRR, all municipalities are required to do a lead service line inventory, provide

public communication, do water quality sampling, and participate in a “find and fix” initiative for any lead-contributing sources found. If there are lead service lines within the city, a Lead Service Line Replacement Line Plan must be developed and implemented, and optimization of Corrosion Control Treatment will need to occur. Costs for the LCRR at \$4,445,000 continue to be budgeted over the next four fiscal years.

#### Wastewater Treatment Capacity

Texas Commission on Environmental Quality (TCEQ) requires wastewater treatment plants (WWTP) to begin engineering for plant expansion when they reach 75% of their capacity and at 90% of their capacity, they must begin construction. The City’s WWTP began nearing its 75% limit and estimates to expand were approximately \$40 million for 1.5 million gallons a day (MGD) of treatment capacity. The Water Control and Improvement District #1 (WCID #1) had an opportunity for the City to purchase 2.0 MGD of existing wastewater treatment capacity at \$15 million. The caveat being that the \$15 million would need to be paid over the next five years as the City will be taking over another entity’s debt payments.

### **SUMMARY**

The Fiscal Year 2024 Budget provides the resources needed for the City to maintain its current level of services. Major challenges for the City continue to be inflation, parts availability, exemption impacts, employee recruitment and retention within certain divisions, utility project expenses, and unfunded mandates. While these challenges will continue to persist in this new budget, this budget takes strides to help offset some of these challenges while maintaining the level of service that citizens and businesses expect. The Fiscal Year 2024 Budget was conservatively developed based on current and expected economic trends. On the personnel side, while the budget seeks to address some wage inflation issues, it does not add significant personnel. The budget lowers the tax rate and is balanced. Unencumbered reserves are assisting in reducing the impact of utility project expenses including those that are unfunded mandates. The budget was filtered through and built upon the City’s vision: *Providing public services that empower people to focus on what matters most: Their goals, hopes and dreams.* Our passion is in serving our citizens and businesses!

This budget document would not be possible without the hard work of the City Council and City Staff. It is an honor and a blessing to serve alongside such service minded individuals. Citizens and businesses have a choice on where to live or locate. We always strive to honor that choice through our service. We are excited to see where your goals, hopes and dreams take you!

Sincerely,

*David R. Mitchell*

## BUDGET AT A GLANCE

The Fiscal Year 2024 Proposed Budget includes total revenues for all funds of \$65,733,000 and total expenditures of \$71,469,000. The budget is a balanced budget with the difference between revenues and expenditures being (1) bond proceeds received in prior fiscal years whose capital project expenditures are budgeted in the current fiscal year, (2) capital project expenditures carried over from prior years for which transfers have been made in prior years, and (3) the use of fund balance to offset operating expenditures/expenses.

<b>FY 2023 – 2024 BUDGET</b>	<b>REVENUES</b>	<b>EXPENDITURES</b>

<b>TOTAL</b>	<b>\$ 65,733,000</b>	<b>\$ 71,469,000</b>

### GOVERNMENTAL FUNDS

#### GENERAL FUND REVENUES

Total revenues for the General Fund for FY 2024 are proposed at \$27,957,000 an increase of \$944,600 or 3.5% over the projected amount of \$27,012,400 for FY 2023. Major sources of General Fund revenues include:

#### Property Tax

Also known as Ad Valorem Tax, property tax is the largest revenue source in the General Fund at 41.7% of total revenues or \$11,653,700. The FY 2024 Budget was prepared using a total tax rate of \$0.5250 per \$100 of taxable valuation, \$0.0550 less than the prior year's tax rate of \$0.5800. The 2023 tax year certified taxable value, including totals approved and those pending under protest, is \$2,813,547,311 which is an increase of \$33,896,488 or 13.3% from the 2022 levy totals of \$2,482,650,823.

The tax rate is comprised of two components – maintenance and operation and debt service. The maintenance and operation portion (M&O) of the rate is in the General Fund and utilized for general governmental purposes (operational expenses). The debt service portion (I&S) is in the Debt Service Fund and utilized for the payment of principal and interest on debt.

During the tax rate adoption process there are two main types of rates calculated and a third type if an entity is eligible. (1) The No New Revenue Rate is the tax rate that will produce the same amount of taxes when applied to the same properties as the prior year. (2) The Voter Approval Rate is the rate that, if exceeded, requires an automatic election on the November uniform election date. (3) The Voter Approval Rate – Adjusted is the same as (2) but adds into it unused increment rate credits (rate equal to the difference between the adopted tax rate and the voter approval rate for the prior three years).

The following table shows how changing the M&O rate effects the amount of revenue received in the General Fund.

Tax Rate Description	Total Tax Rate	M&O Rate	Revenue Amount	Difference in Revenue from Proposed Rate
<b>Proposed Tax Rate</b>	<b>\$ 0.5250</b>	<b>\$ 0.4142</b>	<b>\$ 11,653,700</b>	<b>0</b>
No New Revenue (NNR) Rate	0.5134	0.4026	11,327,300	(326,400)
Voter Approval Rate	0.5364	0.4256	11,974,500	320,800
Voter Approval Rate, Adj	0.5699	0.4591	12,917,000	1,264,000
Proposed Rate Less One Penny	0.5150	0.4042	11,372,400	(281,300)
Proposed Rate Plus One Penny	0.5350	0.4242	11,935,100	281,400

The following table is a comparison of the FY 2024 proposed property tax rates of the surrounding cities:

City	M & O	I & S	Total Rate
<b>Harker Heights</b>	<b>\$ 0.414200</b>	<b>\$ 0.110800</b>	<b>\$ 0.525000</b>
Belton	0.473700	0.066300	0.540000
Temple	0.267000	0.346000	0.613000
Killeen	0.474200	0.146600	0.620800
Copperas Cove	0.383166	0.289486	0.672652

*HB 3195 – What Does It Mean?*

In 2007, the State Legislature added an amendment to the Local Government Code Section 102.005 requiring that proposed budgets that raise more property tax revenue than in the previous year include a statement that specifies the amount of revenue, by what percentage, and how much of the revenue is from new property. Following is how that is calculated:

	TY 2023 Total Certified Taxable Value	2,813,547,311
X	Proposed Tax Rate per \$100 Valuation	0.5250
=	Estimated Total Revenue	14,771,123
-	Estimated PY Adjusted Taxes	14,121,916
=	<b>Total More (Less) Raised Than Prior Year</b>	<b>649,207</b>
	Divided by Estimated PY Adjusted Taxes	14,121,916
=	<b>Percent Increase (Decrease)</b>	<b>4.6%</b>

New property on the tax rolls, including any improvements, totals \$63,290,272 of the 2023 certified taxable value or \$332,274 in property tax revenue when multiplied by the proposed tax rate. This equates to 51.2% of the \$649,207 increase in tax revenue.

*But How Much Will I Pay in Property Taxes?*

Property taxes are assessed per \$100 of assessed value of the property. The City of Harker Heights' City Council sets the property tax rate for the City annually however other entities are shown on your property tax bill as well. Per the Bell County Appraisal District, the average taxable value of a home with a homestead exemption in Harker Heights is \$287,192 for Tax Year 2023 (Fiscal Year 2024); the calculation of the taxes owed to the City would be:

**Taxable Value x Tax Rate / 100 = Tax Due to Harker Heights**

$\$287,192 \times \$0.5250 = \$150,775.80 / 100 = \$1,507.76$

Sales Tax

The second largest revenue source in the General Fund is sales taxes. \$10,691,800 was budgeted for the 2023 fiscal year as a conservative estimate of sales tax revenues that would be received. Projections for the end of the fiscal

year are \$11,243,000 or \$551,200 more than budgeted. Adjustments have been made to forecasts and the proposed revenue amount for FY 2024 is \$11,580,300.

Court Fines

Court fine revenue projections for the 2023 fiscal year are \$650,000 and the line item is budgeted at \$700,000 for FY 2024.

Other Revenue Categories

The total Licenses and Permits category revenue projections total \$405,000 for FY 2023. Growth in the city is continuing at a good pace and licenses and permits are expected to exceed the budgeted amount of \$276,500. The proposed budget for the 2024 fiscal year is \$358,000 which is \$81,500 more than the prior year’s budget.

The Charges for Services category continues to see improvement three years after the pandemic. Revenue projections for the 2023 fiscal year total \$1,106,100 or \$64,600 more than the \$1,041,500 budgeted. The proposed budget for this category in FY 2024 is \$1,069,000.

Transfers In

Transfers that are budgeted to come from other funds cover costs that are paid from the General Fund but also involve these other funds. Due to the unfunded mandates being covered by the Utility Fund, budgeted transfers are not funded to come in from there to cover personnel expenses. For this same reason, as other funds help to cover where the Utility Fund cannot contribute, they are also not transferring in for reimbursement of their personnel expenses either. The sole remaining transfer is:

- Transfer from Restricted Courts (salaries for court personnel, supplies, etc.) .....\$100,000

**GENERAL FUND EXPENDITURES**

The primary governmental functions contained within this fund are general administration, public safety, parks, library, streets, and maintenance. Total expenditures for the General Fund for FY 2024 are \$30,833,500, an increase of \$3,255,100 over the projected amount of \$27,578,400 for FY 2023. General Fund expenditures include:

Personnel

Salaries and fringe benefits total \$20,199,200 or 79.1% of operating expenditures and includes:

- A three percent cost of living adjustment for all employees
- A 4.12% increase in medical coverage
- Upgrade of Human Resource Specialist from a (12) to (14) – Administration
- Upgrade of Support Clerk (11) to Human Resource Specialist (14) – Administration
- Upgrade of Pet Adoption Center Supervisor from a (09) to (10) – Pet Adoption Center
- Upgrade the four Animal Service Officers from a (07) to (09) – Pet Adoption Center
- Addition of certification and degree pay for telecommunicator positions – Police Department
- Upgrade Court Administrator from an (18) to (19)
- Upgrade Juvenile Court Manager position (08) to JCM/Teen Court Coordinator (09) – Municipal Courts
- Addition of certification pay – Municipal Courts
- Upgrade one Code Enforcement Officer position (14) to a Code Enforcement Officer II position (16)
- Addition of a Plans Examiner position (12) – Planning and Development
- Change Activities Center and Special Events Manager (DD) to Activities Center and Special Events Superintendent (19) – Activities Center
- Upgrade Park Operations Manager (18) to Parks and Facility Superintendent (19) – Parks and Recreation
- Upgrade Recreation Center and Senior Programs Manager from a (12) to (14)
- Change Recreation Manager (DD) to Recreation Superintendent (19)
- Upgrade Aquatics Supervisors from a (03) to (05)
- Upgrade Water Safety Instructors from a (02) to (04)
- Upgrade Lifeguards from a (01) to (03)
- Upgrade Aquatics Cashiers from \$9 per hour to (01)

Additional non-monetary changes to personnel (position title changes) can be found in the “Personnel” section.

Outside Agency Funding

Each year, the City gives outside agencies that provide core services to the citizens of Harker Heights the opportunity to apply for grant funding based on the availability of funds. Approved funding for fiscal year 2023 totaled \$123,000 and \$117,000 of that is projected to be expensed to those entities. The following agencies are included in the FY 2024 proposed budget:

- Hill Country Transit (The HOP) .....\$50,000
- Heart of Texas Defense Alliance.....\$18,000
- Harker Heights Chamber of Commerce (Visitor’s Center) .....\$50,000
- Clements Boys and Girls Club.....\$20,000
- Greater Killeen Community Clinic .....\$17,000
- Variety / Peaceable Kingdom .....\$22,000
- Association of Responsible Citizens .....\$10,000

Transfers Out

Due to unfunded mandates and the \$15 million wastewater capacity buy-out, the General Fund will be taking a lot of the slack in “covering” for the Utility Fund. In addition to that, it will need to support the Utility Fund in operations. Staff forecasts that by the 2028 fiscal year, the Utility Fund will begin to repay the General Fund back as it should be a self-supporting fund. Transfers that are proposed to be sent out to other funds include:

- Transfer to Fixed Assets (funding various purchases) .....\$1,000,000
- Transfer to Utility Fund (funding operating expenses) .....\$750,000
- Transfer to Capital Projects (funding various projects).....\$3,000,000
- Transfer to Debt Service (cover deficit).....\$175,000
- Transfer of Cable PEG Funds to Fixed Assets (funding of audio-visual system upgrades) .....\$88,800

The City’s Fund Balance Policy for the General Fund is three months of operating expenses. The Fiscal Year 2024 Budget decreases the fund balance by \$2,876,500 for an ending fund balance of \$13,131,550. This exceeds the three-month fund balance requirement of \$6,389,425 by \$6,742,125.

**DEBT SERVICE FUND REVENUES**

Total revenues budgeted in the Debt Service Fund are proposed at \$3,322,400. This is \$183,700 more than the \$3,138,700 projected for the 2023 fiscal year.

The debt service (I&S) portion of the tax rate does not fluctuate with the property tax rate calculation like the maintenance and operation rate since it is used strictly to pay off the City’s debt. The I&S rate is \$0.1108 for the 2024 fiscal year; property tax revenue is budgeted at \$3,117,400.

**DEBT SERVICE FUND EXPENDITURES**

Total principal and interest payments for FY 2024 total \$3,247,000 and includes an interest payment for the Series 2024 Certificate of Obligation. A detail of outstanding debt is included in the “Debt Service” section however the section does exclude the Series 2024 issuance until approved by City Council. The Debt Service Fund’s long-range plan does forecast for the payments of the issuance and the Capital Project Fund shows the plans usage of it.

The ending fund balance for the Debt Service Fund is \$24,553. There is no fund balance requirement for this fund.

**FIXED ASSET FUND REVENUES**

The primary revenue source for the Fixed Asset Fund is transfers in from other funds. Total transfers proposed for FY 2024 is \$1,300,000. When available, the City will supplement this revenue with other funds for fixed asset purchases. For FY 2024, Coronavirus Relief Funds (CRF) are proposed to supplement purchases in the amount of \$157,800 and \$88,800 is proposed to be transferred from Cable PEG Fees to cover audio visual system upgrades at the Activity Center.

**FIXED ASSET FUND EXPENDITURES**

The City’s threshold for fixed assets is \$5,000 per one item. The following are some of the larger items proposed to be purchased:

- Two (2) 30 Cubic Yard Grapple Trucks – Sanitation (Transfer).....\$488,000
- Books, Audiobooks, and Online Resources – Library (Transfer).....\$100,000
- Audio Visual System Upgrade – Activity Center (Cable PEG Transfer) .....\$88,800
- Computer Lease Payment Year 4 of 5 Years – Information Technology (Transfer) .....\$82,900
- SCADA Upgrades – Wastewater Department (Transfer).....\$72,500

Some items are also being carried over from the 2023 fiscal year due to stalls in production. This also happened during planning for the current fiscal year. Items being carried over include:

- Crane Truck – Wastewater (Transfer) .....\$172,200
- Ford F250 with Deerskin Mount – Pet Adoption Center (Transfer) .....\$96,800
- Ford F250 Super Cab – Wastewater (Transfer) .....\$61,200
- Ford F250 Crew Cab – Parks and Recreation (Transfer).....\$50,500
- Ford F250 Super Cab – Maintenance (Transfer) .....\$47,500

For a more detailed listing see the “Fixed Asset Fund” section.

Proposed fixed asset purchases total \$1,667,800 with CRF funds purchasing \$157,800 leaving \$1,510,000 coming directly out of the Fixed Asset Fund.

The ending fund balance for the Fixed Asset Fund is \$46,285. There is no fund balance requirement for this fund.

**CAPITAL PROJECT FUND REVENUES**

Revenues for the Capital Project Fund are received from transfers in (Nonbond) and from bond proceeds (CO). Total revenues for FY 2024 are proposed at \$14,203,200; \$3,275,000 of which are transfers in from other funds. Staff is also proposing to issue Series 2024 Combination Tax and Revenue Certificates of Obligation in the amount of \$7.5 million to fund street, water/sewer, and drainage projects.

Just like with the Fixed Asset Fund, there are several projects which will be supplemented or fully funded through Coronavirus State and Local Fiscal Recovery Funds.

**CAPITAL PROJECT FUND EXPENDITURES**

FY 2024 proposes \$16,090,200 in capital projects that are new as well as carryover projects from previous fiscal years. Following are some of the major projects proposed:

- Warrior’s Path Phase 2 (Nonbond).....\$3,481,600
- Drainage Master Plan – Phase 2, 3, 4 (2024 CO/Nonbond) .....\$2,324,600
- Blowers and Generator Replacement at the Wastewater Plant (SLFRF) .....\$1,481,000
- Drainage Master Plan – Connell Detention Pond (2018 CO).....\$1,282,000
- 2023 Annual Street Improvements (Nonbond).....\$1,105,200
- Emergency Generators at Pump Stations – Senate Bill 3 Requirement (Nonbond) .....\$1,000,000

The Coronavirus State and Local Fiscal Recovery Funds will fund \$1,697,600 of the capital projects proposed leaving \$14,392,600 to be directly funded from the Capital Projects Fund. For a detailed list of all the projects proposed, see the “Capital Projects Fund” and “Coronavirus Fund” sections.

The ending fund balance for the Capital Project Fund is \$5,978,038 due to the receipt of the Series 2024 bond proceeds. It is anticipated to take three (or more) years to utilize these proceeds for the purpose in which they are issued. There is no fund balance requirement for this fund.

**PROPRIETARY FUNDS**

**UTILITY FUND REVENUES**

Total proposed revenues for the Utility Fund for FY 2024 are \$13,150,100, an increase of \$1,569,600 or 13.6% over the projected amount of \$11,580,500 for FY 2023. Major sources of Utility Fund revenues include:

Water Income

Projected water income for the current fiscal year totals \$6,718,900, which is \$182,700 more than the \$6,536,200 budgeted, due to the lack of rain in the area. Water income is proposed at \$7,256,400 for the 2024 fiscal year based on a one percent expected growth in the City and a rate increase of seven percent. This rate increase is necessary due to the fund’s expected expenses for the pump station generators, a \$4+ million Senate Bill 3 unfunded mandate and the lead and copper rule unfunded mandate of over \$4 million. Although the General Fund will make budgeted transfers into the Utility Fund to assist in operating expenses, it will still be necessary to raise rates to maintain the Utility Fund.

Sewer Income

Sewer income is proposed based on a one percent expected growth and a rate increase of seven percent for FY 2024 at \$4,665,000. On the sewer side, the wastewater treatment plant buy-in of \$15 million over the next five years will need to be funded. Sewer rates are charged based on customer’s water consumption because the City does not have a way to meter sewer usage. There is a 10,000-gallon cap for residential customers; commercial customers do not have a cap.

Following is a chart that compares the proposed water and sewer rates for the surrounding cities:

<b>Residential Water and Sewer Charges Comparison (per gallons of usage)</b>			
	<b>3,000 gallons</b>	<b>10,000 gallons</b>	<b>25,000 gallons</b>
Killeen	\$ 39.18	\$ 89.44	\$ 140.14
<b>Harker Heights</b>	<b>44.95</b>	<b>96.61</b>	<b>152.86</b>
Temple	41.10	123.35	299.60
Belton	46.08	127.98	223.48
Copperas Cove	66.55	128.50	261.25

Ordered by 10,000 gallons, the more common usage range.

**UTILITY FUND EXPENSES**

The primary functions contained within this fund are Water Administration, Water Operations, and Wastewater. Total proposed expenses for the Utility Fund for FY 2024 are \$15,730,200, an increase of \$5,989,100 or 61.5% over the projected amount of \$9,741,100 for FY 2023. Utility Fund expenses include:

Personnel

Salaries and fringe benefits total \$1,660,500 or 10.6% of operating expenditures and includes:

- A three percent cost of living adjustment for all employees
- A 4.12% increase in medical coverage
- Addition of bilingual certification pay for bilingual support in Municipal Court translation

Insurance

Property/Liability Insurance in the Utility Fund includes supplemental sewage backup coverage through Texas Municipal League. This coverage is designed to reimburse private property owners for damages caused by sewage that backs up from facilities owned or controlled by the City when the sewage backup was not caused by City actions and the City had no forewarning that it may happen. The total budgeted for the Utility Departments’ portion of property/liability insurance, to include the supplemental sewage backup coverage, is \$33,600 for the 2024 fiscal year.

### Water Purchases

The City purchases water from Water Control and Improvement District #1 (WCID #1) and Brazos River Authority (BRA). The 2023 fiscal year budget was \$3,368,400 and projections for year-end are at \$3,571,900; a 6.0% increase based on increased water usage city-wide due to lack of rain. For FY 2024, water purchases have been budgeted at \$3,530,000 based on projected water usage and WCID #1 debt payments, to include the City's portion of the proposed new debt for generators. It is lower than the prior year because the prior year amount includes an additional payment to WCID #1 for generators in the amount of \$182,200 separate from the debt issued.

### Wastewater Purchases

The 62.0% increase in expenses is due in part to the 2.0 million gallon a day (MGD) wastewater treatment buy-in which will be paid out over a five-year period. In addition to that, operation and maintenance fees will apply just like with the water purchases. Budgeted for the 2024 fiscal year is \$5,576,700 to cover the first years' worth of buy-in payments and estimated O&M expenses.

### Professional Fees

Proposed professional fees for FY 2024 total \$1,305,500, an increase of \$685,100 from the prior year's projection of \$620,400. This increase is primarily due to the proposed budget amount of \$1,271,300 in the Water Operations Department for the U.S. Environmental Protection Agency's (EPA) Lead and Copper Rule Revisions. The funding is for the City to comply with the Lead and Copper Rule.

### Bond Expense

Principal and interest payments to cover outstanding debt are budgeted at \$1,754,300 for FY 2024. This is the portion of debt funded for water and wastewater projects that are to be paid back by utility revenues. Also included is the addition of the Series 2024 Combination Tax and Revenue Certificates of Obligation of which the utility portion would be \$2 million. This issuance would be used to fund the connector line improvement to WCID #1 and the Beeline Drive Waterline Replacement.

Additional information regarding outstanding debt can be found in the "Debt Service" section; this does exclude the Series 2024 issuance until approval. Forecasting for its funding and use is included in the Utility and Capital Projects Fund's long-range plans.

### Transfers Out

For the FY 2024 Budget, transfers out to the Capital Projects Fund in the amount of \$50,000 from Utility Connect Fees are proposed.

The City's Fund Balance Policy for the Utility Fund is three months of operating expenses. The proposed Fiscal Year 2024 Budget utilizes \$2,580,100 of fund balance for a remaining fund balance of \$5,048,173. This exceeds the three-month fund balance requirement of \$3,920,050 by \$1,128,123.

## **SANITATION FUND REVENUES**

Total revenues for the Sanitation Fund for FY 2024 are proposed at \$2,841,900, an increase of \$153,300 or 5.7% over the projected amount of \$2,688,600 for FY 2023.

### Garbage Income

Garbage income is the main source of income for the Sanitation Fund. The budget of \$2,356,400 for the 2024 fiscal year includes a 2.0% expected growth in the city. There is no rate increase included for residential or commercial hand-pickup. Waste Management bills separately for commercial dumpster services.

Following is a chart that compares the proposed sanitation rates for the surrounding cities:

Residential Sanitation Charges Comparison						
	Rate	Pickups	Can Provided	Drop Site/Recycle	Pickups	Bin Provided?
<b>Harker Heights</b>	<b>19.45</b>	<b>2 / week</b>	<b>96 gallons</b>	<b>\$1.00</b>	<b>n/a</b>	<b>n/a</b>
Belton*	20.80	1 / week	96 gallons	Included	Biweekly	96 gallons
Killeen	21.41	1 / week	96 gallons	n/a	n/a	n/a
Temple	22.46	1 / week	96 gallons	Included	1 / week	90 gallons
Copperas Cove	24.21	1 / week	96 gallons	Included	Biweekly	96 gallons

Drop Site Fee

A Drop Site fee of \$1.00 per month was implemented in the 2022 fiscal year as usage of the City’s Drop Site/Recycling Center increased. \$130,600 has been proposed for the 2024 fiscal year budget, a 1.0% increase from the \$129,300 projected for FY 2023.

Brush and Bulky Collection Fee

Staff has looked at implementing a curbside brush and bulky collection service for residents in FY 2024. Part of setting that up will be charging a fee of \$2.30 per month per household once the program is up and running. The City has budgeted to purchase two 30 cubic yard grapple trucks and two positions in the Sanitation Fund for this purpose. Once these two tasks are accomplished, the fee would begin to be charged. The revenue line item shows a proposed amount of \$125,000 in collections for this service.

**SANITATION FUND EXPENSES**

The primary functions contained within this fund are Sanitation and the Drop Site. Total expenses for the Sanitation Fund for FY 2024 are \$2,778,100, an increase of \$231,900 over the projected amount of \$2,546,200 for FY 2023. Sanitation Fund expenses include:

Personnel

Salaries and fringe benefits total \$119,300 or 4.7% of operating expenditures and includes:

- A three percent cost of living adjustment for all employees
- A 4.12% increase in medical coverage
- Addition of two maintenance technician positions at mid-year for brush and bulky collection service

Roll Off Dumpster

The roll off dumpsters are maintained at the Drop Site Center and picked up by Centex Waste Management. As usage of the center has increased, expenses incurred by the City have also increased. The roll off dumpster line item has a proposed budget of \$415,000 for the 2024 fiscal year which is \$10,000 less than the \$425,000 projected for FY 2023.

Garbage Contract

The garbage contract line item is used to pay Centex Waste Management for residential and commercial garbage pickup (non-dumpster) throughout the City. (Centex Waste Management handles dumpster commercial billing.) This is the major expense for the Sanitation Fund, is proposed at \$1,959,500, and is a 3% increase over the \$1,902,400 projected for FY 2023.

Transfers Out

For the FY 2024 Budget, transfers out to the Fixed Asset Fund (\$150,000) and the Capital Projects Fund (\$75,000) are budgeted.

There is no fund balance requirement for the Sanitation Fund; a fund balance of \$342,376 is projected to remain at the end of the 2024 fiscal year.

**DRAINAGE FUND REVENUES**

Total proposed revenues for the Drainage Fund for FY 2024 are \$905,200, an increase of \$8,900 or 1.0% over the projected amount of \$896,300 for FY 2023.

Drainage Fees

The Drainage Fund was created to maintain the stormwater management systems within Harker Heights. A flat fee is charged monthly on each water bill and is used to fund drainage related expenses and projects. The \$894,200 proposed budgeted revenue for the 2024 fiscal year includes a 1.0% expected growth in the City. There is no rate increase proposed.

Following is a chart that compares the proposed residential drainage rates for the surrounding cities:

<b>Residential Drainage Charges Comparison</b>	
Belton	\$ 5.00
Killeen	5.40
<b>Harker Heights</b>	<b>6.00</b>
Temple	6.00
Copperas Cove	7.00

**DRAINAGE FUND EXPENSES**

The function contained within this fund is Drainage. Total expenses for the Drainage Fund for FY 2024 are \$961,500, an increase of \$3,100 from the projected amount of \$958,400 for FY 2023. Drainage Fund expenses include:

Personnel

Salaries and fringe benefits total \$138,400 or 68.7% of operating expenditures and includes:

- A three percent cost of living adjustment for all employees
- A 4.12% increase in medical coverage

Bond Expense

Total bond expenses are budgeted at \$460,100 for FY 2024 which includes the principal and interest payments to cover outstanding debt as well as the amortization expense. Also included is the addition of Series 2024 Combination Tax and Revenue Certificates of Obligation of which the drainage portion would be \$1.5 million. This issuance would be used to complete the Drainage Master Plan Phases 2, 3, and 4.

Additional information regarding outstanding debt can be found in the “Debt Service” section; this does exclude the Series 2024 issuance until approval. Forecasting for its funding and use is included, however, in the Drainage and Capital Projects Fund’s long-range plans.

Transfers Out

For the FY 2024 Budget, transfers out to the Fixed Asset Fund (\$150,000) and the Capital Projects Fund (\$150,000) are proposed.

The ending fund balance for the Drainage Fund is \$41,531. There is no fund balance requirement for this fund.

**SPECIAL REVENUE FUNDS – RESTRICTED FUNDS**

**HOTEL / MOTEL FUND REVENUES**

2023 fiscal year projections for hotel occupancy tax revenues are just under budget at \$120,000. This is due to the delayed opening of a new hotel as well as the second closure of a long-standing hotel for additional renovations. The proposed budget for FY 2024 is \$150,000 with projections of the new hotel opening in the first quarter of fiscal year and renovations on the other hotel being completed.

**HOTEL / MOTEL FUND EXPENDITURES**

Proposed expenditures in the Hotel/Motel Fund must meet the “heads in bed” test and are restricted to promote tourism, conventions, and the hotel industry. Budgeted expenditures total \$26,700, an increase of \$4,200 over the prior year. These expenditures are funding, or Outside Agency Grants, that have been given to the Harker Heights Chamber of Commerce through yearly requests and approval by the City Council. The Chambers’ request for FY 2024 consists of \$3,800 for Chamber Events/Tournaments, \$15,000 for the promotion of the arts through various festivals and events, \$400 for historical restoration or preservation (encouraging visits to the Mounted Warfare Museum), and \$7,500 for furnishing materials for the registration of convention attendees.

The ending fund balance for the Hotel/Motel Fund is \$810,846. There is no fund balance requirement for this fund. The City does have a long-range plan to use the fund balance of this fund to start construction on Comanche Gap Historical Park once it is at a sufficient level. Because Comanche Gap is a historical area, it does fit the criteria.

**RESTRICTED COURT FUND REVENUES**

Certain fines paid through the Municipal Court have fees attached that are deposited into restricted court funds. Budgeted revenues for FY 2024 total \$97,900 which is a \$2,500 increase or 2.6% over the projected amount for the 2023 fiscal year of \$95,400 and a 3.4% increase of the \$94,671 actual received in FY 2022.

**RESTRICTED COURT FUND EXPENDITURES**

Expenditures in the Restricted Court Fund are shown as transfers to the General Fund as it reimburses for the day-to-day costs incurred in the Municipal Court Department. For FY 2024, these transfers are budgeted at \$100,000 for:

- Building Security Fund (alarm system, fire protection, personnel)..... \$20,000
- Administration of Justice (training, memberships, supplies) .....\$5,000
- Court Technology Fund (equipment maintenance and supplies) .....\$15,000
- Local Truancy Diversion Fund (Juvenile Case Manager position).....\$25,000
- Child Safety Fund (Youth Health Coordinator position).....\$35,000

The ending fund balance for the Restricted Court Fund is \$204,310 and there is no fund balance requirement.

**EMPLOYEE BENEFITS FUND**

The Employee Benefits Fund was created for the purpose of reducing the premium tax paid by the City to an insurance carrier for eligible lines of coverage. This fund is a pass-through fund for the collection and payment of employee insurance premiums.

Revenue received in this account is interest income only and is budgeted at \$3,000 for FY 2024. There is \$100 budgeted as expenses with the expectation of a check order being processed during the upcoming fiscal year.

The ending fund balance for the Employee Benefits Fund is \$12,772 and there is no fund balance requirement.

**CORONAVIRUS FUND**

The Coronavirus Fund was created in the 2022 fiscal year for grant money from the Texas Department of Emergency Management (Coronavirus Relief Funds) and from the American Rescue Plan Act (Coronavirus State and Local Fiscal Recovery Fund (SLFRF)). Grant revenue projected for FY 2023 totals \$3,232,900 and represents the usage of the funds already received. The 2024 fiscal year budget proposes grant revenue recognition of \$1,659,500 accounting for the expenditure of the remaining balance of the \$8,049,345 received in funding.

The SLFRF Funds have been used for (1) drainage channel project on Preswick and Lantana, (2) drainage replacement on Fuller Lane and Tye Valley, (3) second belt filter press project at the sludge dewatering building, (4) Rummel Road Lift Station Upgrade project, and (5) the Wastewater Treatment Plant blowers and generator replacement project. For a more detailed listing of projects, see the “Coronavirus Fund” section.

The ending fund balance for the Coronavirus Fund is \$72,978 and there is no fund balance requirement.

**ALL FUNDS SUMMARY BY FUND TYPE**

The following table provides a summary of the 2022 actual, 2023 projected, and 2024 proposed budgets for the City of Harker Heights by fund types.

The City of Harker Heights is organized into three fund types for accounting purposes:

Governmental Fund - General, Debt Service, Fixed Asset, and Capital Project Funds

Proprietary Fund - Utility, Sanitation, and Drainage Funds

Special Revenue Fund - Hotel/Motel, Restricted Court, Employee Benefit Trust, and Coronavirus Fund

<sup>1</sup> The General Fund is using \$2,856,000 of fund balance/reserves. In an effort to continue to support infrastructure and fixed asset purchases, transfers of \$3 million and \$1 million will be made to the Capital Project and Fixed Asset Fund respectively. In order to support the Utility Fund while it funds the Senate Bill 3 unfunded mandate, the Lead and Copper Rule Revisions, and the purchase of 2.0 MGD of wastewater treatment capacity, a transfer of \$750,000 will also be made to the Utility Fund.

<sup>1</sup> The Debt Service Fund is proposed to receive \$3,322,400 in revenue and has \$3,280,900 in expenditures .

<sup>1</sup> Transfers into the Fixed Asset Fund exceed the amount of proposed expenditures for the 2024 fiscal year by \$121,200. The "Fixed Asset Fund" section provides more details.

<sup>2</sup> Utility Fund expenditures have increased as the cost of goods and services rise and as the City begins implementation of the Lead and Copper Rule Revisions and funds the emergency generator project (Senate Bill 3). The 2024 fiscal year will also see the start of payments towards the wastewater treatment capacity buy-in.

<sup>2</sup> The Sanitation Fund is a pass-through to pay Centex Management for residential and commercial pickup and funds the City's Drop Site Center. Revenues are proposed to exceed expenses at \$63,800.

<sup>2</sup> The Drainage Fund was set up to do stormwater maintenance throughout the City. Funds are used to pay for maintenance of the city-wide drainage system and transferred to pay for capital projects.

<sup>3</sup> The pending opening of the new hotel and the reopening of an existing hotel brings the expectation of increased hotel occupancy taxes for the 2024 fiscal year.

<sup>3</sup> The Employee Benefits Fund only revenue source is interest as it is a pass-through for employee benefit payments.

<sup>3</sup> Expenditures in the Coronavirus Fund exceed the revenue by \$164,900. The City has already obligated these funds; the next deadline is to have it spent by December 31, 2026.
