STREET CUTTING/BORING, DRIVEWAY, SIDEWALK PERMIT

PERMIT # _____

The undersigned, in accordance with the City Ordinances of the City of Harker Heights, Texas, hereby applies for a _____ Permit for the “digging of any hole or trenches upon, through or beneath the street, avenue, alley, square, and public grounds of the City of Harker Heights, Texas.”

All such work shall be performed at the sole expense of the person, firm or corporation making such application. Without expense to the City all excavation, cutting, and/or digging, and the repair and/or refilling of said excavation, cutting, and/or digging to restore the surface and excavation to its original conditions, must be performed within ten (10) days from the time this permit is issued.

The following two (2) inspections are **required**:

- ❖ When repairs, taps, or any work on infrastructure is completed, and before backfilling takes place (Inspection performed by Building Official or Public Works Department)
- ❖ Once repairs to the street have been made (Inspection performed by Public Works Superintendent)

Please call 254-953-5648, 254-953-5649, or our Inspection Hotline (254-953-5661) to schedule inspections immediately upon completion of work.

We, the undersigned, agree to replace all work in accordance with directions from City Staff and all applicable City Ordinances.
