

2022 MEMBER GUIDE

BSW Plus HMO

Our new brand in 2022

Welcome to Baylor Scott & White Health Plan

Beginning January 1, 2022, Scott and White Health Plan will do business as Baylor Scott & White Health Plan (BSWHP). We're still part of the Baylor Scott & White Health family of companies, and our commitment to our members is as strong as ever: We're dedicated to offering high-quality health plans, technology and services to meet the needs of all we serve. You'll find useful information about what we have to offer in this booklet—and if you have questions, we're happy to answer them.

Health Maintenance Organization (HMO) products are offered through Scott and White Health Plan dba Baylor Scott & White Health Plan, and Scott & White Care Plans dba Baylor Scott & White Care Plan. Insured PPO and EPO products are offered through Baylor Scott & White Insurance Company. Scott and White Health Plan dba Baylor Scott & White Health Plan serves as a third-party administrator for self-funded employer-sponsored plans. Baylor Scott & White Care Plan and Baylor Scott & White Insurance Company are wholly owned subsidiaries of Scott and White Health Plan. These companies are referred to collectively in this document as Baylor Scott & White Health Plan.

Got a question?

Our highly trained Customer Advocates can help you with things like finding a provider and answering questions about your benefits or claims. Weight loss program

Ever wonder how some people can eat all their favorite foods and not gain weight? Wondr Health is an online program that will teach you how. And here's a hint: it doesn't include starving, counting calories or spending hours prepping 'approved' foods. Wondr Health gives you the chance to learn how to eat the foods you love while reducing your risk of developing serious conditions, like diabetes or heart disease.

Wondr Health is available at NO COST to you and is accessible by computer and mobile device so you can participate whenever it's convenient, wherever you are.

Find more information about Wondr Health [here](#).

Your EOBs will be available on the Member Portal unless you specifically request to receive paper EOBs in the mail. To request paper EOBs, log in to the Member Portal and select “Update Preferences.”

Helpful Definitions

is is the amount your provider billed requested. Note: This amount does is that the plan has negotiated with the.

The contracted rate for the service negotiated with the provider or amount that the provider and health have agreed will be accepted for services rendered.

The amount you saved by using the providers.

This is the amount we paid to you or your provider.

Non-Covered Amount - An amount you are responsible for paying because it is for a service that is not covered by your health plan. Also, if you've used a non-network provider, "noncovered amount" includes any amount that the non-network provider bills in excess of the plan negotiated network rates.

Deductible - A fixed dollar amount the member is responsible for paying each plan year before the plan begins to pay for covered services. Note: "Non-Covered" amounts don't count toward meeting the yearly deductible. Your provider may bill you for these charges.

Coinurance / Copayment - This represents the co-payment or coinsurance amount you are responsible to pay for certain services. The coinsurance is a percentage of the "allowed amount" you are responsible for paying for services after your deductible is met. Providers may require payment when you receive services.

Amount Paid by OIC - This is the amount paid from your other insurance carrier.

Amount You Owe - The amount you are responsible for paying.

Stay better, longer

Disease management

Disease management empowers you to manage your chronic condition and help prevent complications. We work with your healthcare providers to identify chronic conditions quickly and treat them effectively. We can also identify self-care activities that help you manage your condition at home. Together, we'll work to slow down the progression of your disease and help you **stay better, longer.**

Complex case management

If you have chronic conditions or complex care needs, our nurse case managers will work with you, your family, and your physician to create and manage your care plan. Case managers advocate for you and can help you navigate the healthcare system and arrange the services you need. They can also answer questions and help you understand your condition and care plan. If you are enrolled in a Disease Management program, they'll incorporate the program into your care.

There is no additional cost to you for this voluntary program. It's all part of our goal to help you get the best possible results and the greatest value from your health plan.

NOTE: You can opt-in or opt-out of these programs by calling **844.279.7589**.
