

Message from Harker Heights Senior Program Manager

Hello All,

As Spring marches in we say good bye to wintry weather; we hope. Make sure to mark your calendar for important events like daylight savings on March 12, National Pi Day on March 14, and Battle of the Court: Annual Granny Basketball Benefit Game on March 18. The admission for the game is a non-perishable food item or new packaged socks/underwear. This month we will have Lunch & Learn on March 17 for the first 20 people who register. The Lunch & Learn topic is to be determined; call me or the Recreation Center as it gets closer to ask if the topic have been confirmed and to register. If you are a gardener or would like to learn more about trees, look at the information about the Garden Club and the Tree Planting & Care class. We are always looking for volunteer leaders to be a point of contact for a class or ideas for future classes or events.

Best Regards,

Nichole Broemer

Bad Weather Procedure

As the cold weather roles in we have been getting questions about weather closings and delays. The Harker Heights Senior Recreation Program will follow KISD closings & delays. If KISD is closed or delayed the Senior Recreation Program classes will be closed/canceled or delayed. Check your local news station for updates.

If your name is missing on the birthday list, we do not have you renewed for 2023.
