AGENDA ITEM# IV-1

FROM: THE OFFICE OF THE CITY MANAGER

DATE: SEPTEMBER 21, 2021

RECEIVE AND DISCUSS A PRESENTATION ON THE FUTURE LAND USE PLAN.

EXPLANATION:

The City of Harker Heights Comprehensive Plan was approved in 2007 and included such components as the Thoroughfare Plan and Future Land Use Map (FLUM). The Planning and Zoning Commission (P&Z) is charged with recommending updates on the Comprehensive Plan to the City Council. The Planning and Development Staff in conjunction with the P&Z began working towards an update to the Comprehensive Plan in November 2020. This update will occur in sections and ultimately culminate in an update to the entire Comprehensive Plan.

The P&Z has held seven (7) extensive public workshops and one public hearing to discuss amendments to the current Future Land Use Map. Additionally, a request for public comments on the proposed Future Land Use Map was placed on the City's P&Z website and social media beginning on August 10, 2021. The City Council was briefed on the P&Z's recommendations in a Council Workshop on September 7, 2021, and received comments from the public on September 14, 2021, at the City Council meeting. The attached proposed Future Land Use Map dated September 14, 2021, is a summary of the recommended changes that were a result of all public workshops and public hearings. This workshop item serves as another opportunity for the City Council to receive public comment prior to the City Council meeting on October 26, 2021.

Comprehensive Plan

On January 23, 2007, the City Council adopted the City of Harker Heights Comprehensive Plan. The plan is intended to provide overall guidance to areas which are vacant as well as to areas which have already developed. The plan functions to direct the most appropriate land use for all areas of the city. The plan is implemented most directly at the time zonings are made.

The comprehensive plan is a working document utilized by the City of Harker Heights to guide it in its decision making processes. The comprehensive plan presents relevant historical data, inventories the current resources of the City, states clearly the City's goals and objectives for the future, and provides a framework for obtaining those goals and objectives. In other words, the comprehensive plan is like a road map which shows where the City is now and where the City would like to go. Harker Heights' comprehensive plan was developed with input from citizens, business leaders, and government agencies.
